Service Conditions

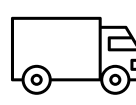

Online Orders
Orders submitted via the SPX Customer Portal (www.sp.express) by 12:00 PM are eligible for next-day collection in approximately 80% of locations

Time Slot Collections
Collections can be arranged within agreed loading time windows in accordance with the agreed service schedule

Insurance
Standard liability coverage up to PLN 1,000 per shipment. Higher coverage limits available upon individual request

Vehicles
Groupage vehicles up to 6 tonnes or 6 pallets available on request

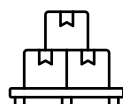

Equipment
Approximately 90% of vehicles are equipped with a tail lift and pallet truck. Refrigerated and insulated vehicles are not available

Excluded Goods
ADR goods, SENT-regulated goods and pipes are excluded from transport

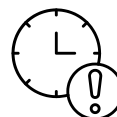

Waiting Time
Up to 30 minutes included free of charge

Loading / Unloading
Loading and unloading remain the responsibility of the customer. Drivers do not perform loading operations

Delivery Time
Standard transit time: 48 hours
Approximately 90% of shipments delivered within 24 hours

Transit Delays
Shipments are transported through a distributed logistics network. Average delivery deviation is approximately 30 minutes, depending on the overall supply chain conditions

Warehousing
Handled according to the FIFO principle. No long-term storage service available

Cross-Docking Operations
Minimum three handling points during transportation

- **Invoicing cycle: Weekly**
- **Payment terms: 7 days from invoice date**
